

How to find our new practice, Wasatch Dermatology, from our old office.

Our new address:

5734 South 1475 East, Suite 300 • Ogden, UT 84403

Our complex is a group of one-story red brick buildings that surround a common parking lot. Please call us at (801) 475-5210 if you are lost and we will be happy to direct you to our office.

Directions to our new location, starting at our old office:

Exit the parking lot onto East Ridgeline Drive heading North toward Highway 89. Turn left onto Highway 89 and continue North for 1/3 of a mile. Make your first right onto South 1475 East, and then another immediate right into our parking lot. Our office is located in the third building from the parking lot entrance on the right-hand side.
